Frequently Asked Questions

What is Pinerock Camp and Retreat Center?

We are a retreat and conference facility designed to provide a unique place of ministry in the cool pines where churches and Christian organizations subscribing to our Statement of Faith can reach the lost for Christ and pursue spiritual growth through the study of God's word. We also host schools who are looking for a unique place in nature for outdoor education.

What is Pinerock's Statement of Faith?

The purpose of Camp Pinerock, as a ministry of the Arizona/Southern Nevada District Church of the Nazarene, is to provide an opportunity for a life-changing experience with Jesus Christ to every person that comes on the grounds. Our objective is to provide excellent facilities in a relaxed mountain setting with a focus on:

1) spiritual enrichment **2)** program support and educational training **3)** moral and social development **4)** recreation

What is the group size needed to make a reservation?

We book groups with a minimum of 40 (to open the dining hall) and a maximum of 375 guests. Groups less than 40 are welcome, they just have to be with a larger group to open the dining hall.

Are pets allowed at Pinerock

Due to allergy reasons pets of any kind are not allowed at Pinerock. Only certified service dogs are permitted.

Is there a smoking section?

All buildings are non-smoking/vaping, a deep cleaning fee of $400 will be charged to the group plus any costs associated with blocking out the room for smoke removal. All outdoor areas are also non-smoking; we ask that guests leave campus to smoke or smoke in their vehicle with their windows up.

Is there a noise ordinance?

Pinerock does fall within the City of Prescott limits and must follow the city's noise ordinance. There is to be no outside amplification of any kind such as, stereos, megaphones, etc. during the groups time at Pinerock. After 9pm any inside amplified noise must be kept to a minimum and must only be heard within the groups meeting space.

Does Pinerock provide programs for groups?

Pinerock is a facilitator camp and not a program camp. Meaning that Pinerock provides groups with the needed facilities (lodging, meeting spaces, etc.) and groups run their own programs.
