

Our Mission

Pinerock Camp and Retreat Center provides quality retreats where God is honored and the people are served in love. Guests enjoy the benefits of an experience in nature while having fun, developing friendships, and growing in their faith.

Our Passion

At Pinerock Camp and Retreat Center we are blessed to offer a unique opportunity for personal and spiritual growth amidst the cool pines and beautiful blue skies of Prescott, Arizona. Our guests are our first priority and it would be our privilege to host your event!

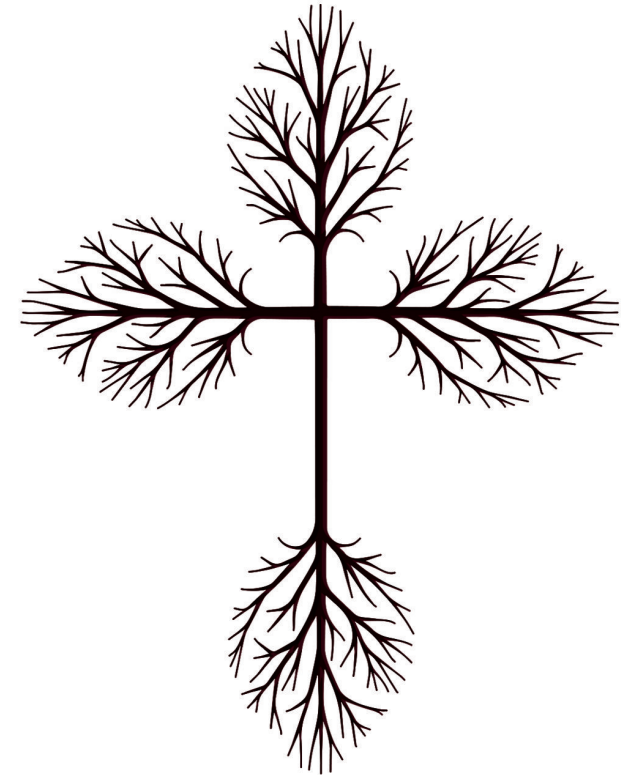

We are a camp and retreat facility where churches and Christian organizations subscribing to our Statement of Faith can reach the lost for Christ and pursue spiritual growth through study of God's word. We also reach out to schools looking for a unique place in nature for outdoor education.
