The Mantra

*Be gentle, kind, humble, meek, and patient. Put up with each other.
Colossians 3:12b-13a.*

What is your mantra? Mantra is a statement repeated frequently, I, Trish, have two mantras: The first is, "I am one in whom Christ dwells and delights. I am a Child of the King, He likes me!!" The 2nd is, "We who live and work at Camp Pinerock live under the God-Dome."

That God-Dome statement is a reality in our world, The staff will joke about it when we are in the middle of a project and the electrician states, "This cabin has some creative electrical issues." Other situations arise and we look at each other and just say, "I know. We live under the God-Dome."

As another year is put into our memory and we look forward to what the next year may bring, be on the lookout for what you repeat frequently, Is it a positive vibe that encourages good works or is it a negative vibe that leaves you in the doldrums, Choose the positive.

Blessings, Rich & Trish & the Pinerock Staff

*Always want to thank the Pinerock Staff. They are tremendous friends.

Donnita Webb & Desire Jacobsen - Hospitality

Strad Calhoun - Activities & Property Beautification

Jeff Felo - Landscape, Mechanic, Sign Maker

Mike Swift - Maintenance

June 29-July 3, July 3-5, July
17-19.

****If you would like to inquire about a possible retreat, please connect with the Pinerock office staff for more information.**

Happening Page...

Tabernacle Bathrooms

Amazing how a couple of new urinals, paint and some décor will revamp two VIP rooms that are used most weekends and every day during the summer. 😊

Pineshop ... It became time for a new and bigger ice machine. Thank you Nancy for the donation of an upright freezer. There should be plenty of ice to share between the kitchen, activities, guest groups and site-licensed holders.

Aspen and Spruce cabins were both repainted on the outside. Thank you TLC paint crew for your service.

The Small Things

Removal of an older cabin that was a bit beyond salvageable.

The Dining Hall needed a lower buffet table makeover. Six new wells and it good as new! The walls around the dining area received some new décor for that warm and welcome feeling.

Electrical Updates

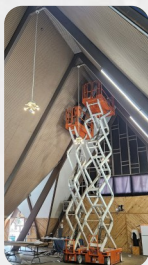

Lions Dorm, Vanderpool Dorm, and Pinetop have all received new breakers, boxes, and or wiring. What a relief. Jared and Kyle are Rock Star Electricians!!

Bluebird now has air conditioning. YAHOO!! We are hoping to add a window air conditioner to Lions Room 9.

Cullumber Hall

The A-Frame building received a welcomed uplift of renovations during the fall months. **Thank you Pastor Brian Shaw** for the assist with ceiling acoustic panels. Brian, Rich and Mike were up 45 feet attaching this new ceiling material. It looks beautiful!! The inside pillars were painted and the entryway has a new door. Paint was refreshed on the outside of the building as high up as a 12 foot ladder would allow. Cullumber is the most beloved meeting space that groups utilize. So grateful to all who helped make this project come to fruition.

We are so grateful for those who choose to donate/partner towards the ministry of Camp Pinerock. The campground is over 80 years old. Sometimes minor issues turn into major issues. Thank you for continuing to make this campground a place of peace. You are appreciated!! The QR code is a simple way to donate toward the ongoing ministry and many projects of Pinerock.

Pinetop Makeover

The renovation plan started small then turned into adding another toilet room, a different front entryway, removing a door and wall, remake of the small cove where the sinks are located, new flooring and refreshed paint. This cabin will now sleep up to 16 people. It is fantastic!!

Lions Dorm 11

This is the 5th Lions Dorm room that has been updated. The room received new flooring, lighting, blinds, and bunkbeds/mattresses along with fresh paint on the walls/ceiling. A ceiling fan was added to help with air movement. We are **hopeful** Room 12 will be done before summer.
